QUESTIONS/ANSWERS

The question and answer is as follows:

Q1. On Page 54 of the solicitation two labor categories (lcats) are presented: Principal Analyst and Analyst. Are these the only two lcats allowed to be submitted? If not, is there a complete list of the allowable lcats and their associated job descriptions and experience requirements?

A1. Those are the only lcats EPA requires on this solicitation. If an offeror has a different labeled lcat that is compatible to the Principal Analyst and/or Analyst and it can demonstrate that the different labeled lcats have the equivalent skills required, it can propose the different labeled lcats.

Attachment A – Statement of Work has been revised to add the following information under the **“OTHER TERMS AND CONDITIONS”**.

Cybersecurity and Protecting Sensitive Information

Contractor Return of all EPA-Provided and EPA-Activity-Related Information

(a) Within thirty (30) days (or a different time period approved by EPA) of an EPA request, or after the end of the contract performance period, the Contractor must return all originals of all EPA-provided and EPA-Activity-Related Information (including but not limited to all records, files, and metadata in electronic or hardcopy format). The Contractor must return originals obtained while conducting activities in accordance with the contract with EPA; or distributed for any purpose by the Contractor to any other related organization and/or any other component or separate business entity; or received from the Contractor by any other related organization and/or any other component or separate business entity. Contractors must return all originals so that they cannot be used for further business by Contractor.

(b) Concurrent with the return of all originals as set forth in paragraph (a), the Contractor must document to the EPA the return of all originals of all EPA-provided and EPA-Activity-Related Information (including but not limited to all records, files, and metadata in electronic or hardcopy format). The Contractor must document originals obtained while conducting activities in accordance with the contract with EPA; or distributed for any purpose by the Contractor to any other related organization and/or any other component or separate business entity; or received from the Contractor by any other related organization and/or any other component or separate business entity.

(c) The Contractor agrees to insert in each subcontract or consultant agreement placed hereunder, provisions which shall conform substantially to the language of this requirement, including this paragraph, unless otherwise authorized by the Contracting Officer.
